PROGRAM NOTE

"Memories light the corners of my mind . . . Scattered pictures of the smiles we left behind. Smiles we gave to one another . . . can it be it was all so simple then?"

"A Little Night Music," a sophisticated waltz musical, examines various illusions and delusions of love. The frivolity and emptiness of the characters' lives are tied together through remembrances (narrated by Madame Armfeldt and the members of the quintet) of past loves and lost worlds.
