LI'L ABNER

An Original Musical Comedy by
Norman Panama and Melvin Frank

Based on Characters created by Al Capp

Original Direction and Choreography by
Michael Kidd

Lyrics and Music by
Johnny Mercer and Gene de Paul

For decades Americans laughed with Abner and the rest of Dogpatch (a mythical county in the heart of America) about the follies of man and American politics. Al Capp's mercilessly satirical comic strip was printed throughout the nation in both daily and Sunday editions of nearly all papers. Mr. Capp said of his characters that their names were descriptive and further explanation was not needed. Perhaps that is true of this production as well. Welcome to a comic strip coming alive!
